

OPMF41 – LAUNCH AUTHORISATION FORM

- NOTES :**
1. Fields marked * are optional.
 2. For authorisation procedures, refer to the OPM OPERATIONS -5 Launch Sites.
 3. Launch Location: You must supply sufficient detail to enable an official to locate and access the site.
 4. Base Launch Rating on the points documented and presuming use by pilots unfamiliar with the launch site.
 5. If training use is intended, detail this in the “Special Consents or Restrictions and Considerations” sections.

CONFIDENTIALITY (Read statement and if applicable Tick the adjacent box)

Information provided on this form is **not** available for distribution. i.e. published in site guides or advisories
